## **Product Care**

You are the proud owner of a set of uniform that has been specially designed for you. Before wearing the uniform, please observe the following washing guide for a more comfortable and hygienic wear.

### **Other product care tips and information:**

- Wash uniform with like-coloured clothing.
- Ensure water temperature does not exceed 30 degrees centigrade for hand wash or machine wash.
- Do not use bleach or washing detergent containing chlorine.
- Do not soak dark coloured fabric. Rinse under room temperature water to remove the 1st dye run, followed by washing with mild detergent gently.
- Do not soak uniform in washing detergent for more than 15 minutes.
- When drying, turn clothes inside out to prevent colour fading from harsh sunlight.
- For best results, remove clothes from the washing machine and dry garments as soon as the water cycle has completed. Do not tumble dry.
- Do not iron clothes that are made of 100% polyester (Pe tee shirt & PE shorts) or fabric that does not have cotton content. Low heat for the polo shirt.
- Do not iron on embroidery or prints on uniform.

### **Handy tips: Before you wash your garments, take these precautions:**

- Button / hook up any buttons, hooks, zip zippers, etc
- Tie sashes, cords, straps, etc to prevent tangling
- Check pockets for coins, tissues, pens, etc
- Remove anything from the garment that cannot be washed, e.g. badges
- Repair tears so that they won't become larger with further washing

- Product(s) sold can be exchanged within **30 days from the date of purchase**, at our retail outlet (or at our sales counters during a school sale exercise).
- **ORIGINAL RECEIPT** must be presented for exchange.
